# 한국어 문장 연습

---

1. I have a 28 **bedroom house** with a large **living room**, so I sometimes play hide-and-seek or soccer in my house.

---

2. Although my house has a **study room**, I normally go to a café or library to study.

---

---

3. I don't shop at the department store by myself, because I spend too much money.

---

---
